EXPERIENCE

Darrell A. Lindman is proud of having survived cancer and 35+ years of government overregulation of employee benefits. He represents business entities of all types, and he has a large concentration of exempt organization clients, including one of Michigan's largest health care systems, Michigan's largest church pension plan, governmental entities, associations and a Michigan-based, national fraternal benefit society.

He has volunteered thousands of hours of time over his career to serving on the boards of charitable organizations, primarily in the arts and healthcare areas. Darrell tries to live his life in celebration of Psalm 118:24: "This is the day that the Lord has made; let us rejoice and be glad in it."
